Dear Mr Farthing

### **General Medical Council - Dr Jane Barton**

I write to inform you that Dr Barton has not appealed against the order made by the Fitness to Practise Panel on 29 January 2010. Accordingly, Dr Barton is subject to those conditions, placed on her registration, determined by the Fitness to Practise Panel. The conditions will remain in place for three years.

The case has now been passed to the GMC's Case Review Team who will be responsible for monitoring Dr Barton's conditions while they are in place.

At a future date, and prior to the expiry of three years, Dr Barton will attend a reviewing hearing. We, or the General Medical Council, will write to notify you of the date of the Review hearing when it is known. For this reason, we would be grateful if you could keep us informed should your address details change.

Kind regards
