Dear Mr Farthing

General Medical Council - Dr Jane Barton

I write further to our telephone conversation yesterday.

As promised, please find enclosed with this letter a copy of the witness statement you gave to the police dated 10 May 2004.

I am unable to give you any more information at this time regarding our choice of expert or whether or not I am able to disclose to you expert evidence previously prepared by the police. As soon as I am in a position to do so I will let you know.

If you have any comments that you would like to make regarding your witness statement, in particular if you feel that it does not reflect your recollection of events, then please telephone me in order that we may discuss this further.

Thank you for your continued assistance in this matter.

Yours sincerely
