Dear Mr Stewart-Farthing,

Thank you for your further email about Gosport War Memorial Hospital.

I note that you are concerned that the Baker Report is freely available. I have contacted Departmental policy officials about this and have been informed that the Baker Report remains confidential. The Department has disclosed the Report to the police in the course of their criminal investigation and the General Medical Council which exercised its powers to obtain it.

Officials have informed me that they are unable to add any further information to our previous replies on this issue.

I am sorry I am unable to be of further assistance.

Yours sincerely,

Sally Greenbrook
