Dear Mr Millett,

Re. CUNNINGHAM, Arthur Denis Brian

Thank you for your letter of 6 Oct, received this morning, concerning the death of my step-father.

Although I have already spoken to your office this morning, I am writing to confirm the existence of a significant error in the attachment to my letter dated 2 Oct 98, having only just re-read what was said.

The sub-heading "25-26 Sep" wrongly contains the statement at the end "outside the time limit for registration of death". This should be deleted and re-inserted at the end of the next sentence headed "28 Sep".

I look forward to hearing the outcome of your investigation, and I apologise for the error.

Yours faithfully,

Code A
