# FRESH PROBE INTO WARD DEATHS

## War Memorial inquiry team sends updated file to CPS

RELATIVES fighting to find out why their loved ones died at a Gosport hospital hope a new report will see medical staff in court.

They claim their elderly parents were given over-the-top doses of drugs at the Gosport Memorial Hospital.

When the case was first handed to prosecutors they said there was not enough evidence to go to court.

Now a government report has gone to the Crown Prosecution Service – and it highlights concerns about drug doses dished out at the hospital.
