Dear Mr Watts

I write further to my meeting held on 27th April with Charles Farthing. Further to the meeting I would be grateful if you could clarify the following issue raised by Mr Farthing.

In relation to the study being carried out by Professor Baker, he would like to know what the current situation is with the study and if the study has been completed whether he would have the opportunity to have access to the results, and if so, when.

I look forward to hearing from you.

Yours sincerely
