Dear Lt Cmdr Farthing

Gosport War Memorial Hospital Enquiry

I have received a request from Mr Bernard Page whose mother's notes were reviewed by the police as part of their investigations at Gosport War Memorial Hospital.

Mr Page would like to receive the names of the three other families whose relatives' notes were also reviewed by the police.

It is not the PCT's policy to release names of relatives without their written consent. I am therefore asking that our write to me stating whether you are happy for this process to take place.

If you request that your name is not released to Mr Page I can assure you that your wishes will be honoured.

Yours sincerely,

Code A
