31 July 2014	Leicestershire Partnership NHS Trust; University Hospitals of Leicester NHS Trust		Patient Safety	Doctors apologise after 89 patients get 'unacceptable' care in Leicestershire	ITV (web)	<a href="http://www.itv.com/news/central/story/2014-07-31/doctors-apologise-after-89-patients-get-unacceptable-care-in-leicestershire/">http://www.itv.com/news/central/story/2014-07-31/doctors-apologise-after-89-patients-get-unacceptable-care-in-leicestershire/</a>	A review into levels of healthcare in Leicestershire has found 89 patients received 'unacceptable' care in hospital or the community in the days before they died.
29 July 2014	University Hospitals of Leicester NHS Trust		Fitness to Practise	Six-month suspension for doctor in misconduct case	Leicester Mercury	8	Dr Jayaprakash Gosalakkal, a consultant children's neurologist, has been suspended from the medical register for six months. Dr Gosalakkai was found guilty of misconduct by the Medical Practitioners Tribunal Service over allegations that guidelines co-authored by him for a video EEG telemetry test were not fit for purpose.
22 July 2014	Nottingham University Hospital Trust	Nottingham Treatment Centre	Patient Safety	Apology for mum after routine op went wrong	Derby Telegraph	10	The Nottingham University Hospital Trust has apologised for a catalogue of errors that left a woman fighting for her life after a routine keyhole operation. The woman had her bowel accidentally sliced open and this was not noticed until it became life-threatening. The Trust has admitted fault and a settlement is likely to follow.
14 July 2014		Gosport War Memorial Hospital	Patient Safety and Fitness to Practise	Inquiry is launched into deaths at Gosport hospital where use of opiates was "almost routine"	BMJ (Web)	<a href="http://www.bmj.com/content/349/bmj.g4610">http://www.bmj.com/content/349/bmj.g4610</a>	Investigation launched into 92 deaths at Gosport War Memorial Hospital between 1988 and 2000, caused by the almost routine overuse of opiates. Nial Dickson quoted as saying that a GP at the centre of some of the investigations should have been struck off by the GMC.
