Dear Mrs Mackenzie,

I understand from Code A from our Information Access Team that she has been liaising with you in relation to your queries as to whether we received statements that Halsar Staff made to the Police and if so, why they were not mentioned at the Fitness to Practise Panel Hearing.

Code A has passed your queries over to me and I am liaising with our Solicitors about them.

I hope to be in a position to respond to your queries shortly.

Yours sincerely

Code A
