I have been able to consider the Force's position on this request and taken some advice. I am able to give consent to disclose the documents listed in your email under the same provisions as set out by Dave Grocott on the previous occasion, that is;

1. The personal information of the people making the statement are redacted.
2. Any information relating to any patients other than Gladys Richards are redacted.

I hope this helps. If there are any other issues please feel free to contact me on either of the telephone numbers below.

Regards

Subject: Request from Gillian Mackenzie

Dear Code A

Further to our telephone conversation earlier this morning please find below a copy of my email to DCI Grocott last year. This related to a request the GMC had received from solicitors acting on behalf of Gillian Mackenzie (the daughter of Gladys Richards who died at Gosport War Memorial Hospital in August 1998). Ms Richards had requested copies of any statements we held from nursing staff involved in the care of Gladys Richards.

We identified the following statements referenced in the word document below and DCI Grocott confirmed that he was happy for these to be released to Ms Mackenzie subject to the removal of personal information about the individuals giving the statements concerned. (See his email from the time attached to this email). These statements in the attached word document have therefore been previously disclosed to Ms Mackenzie.

Ms Mackenzie has now requested a copy of any additional statements we hold which haven't previously been disclosed. This brings into scope for the first time the following:

- Witness statement of Dr Richard Reid 07/06/2000 (1 page)

- Record of interview with Dr Jane Barton 25/07/2000 11:10 to 11:36 with copy of police statement of Dr Jane Barton concerning Gladys Richards
- Record of interview with Dr Jane Barton 25/07/2000 11:59 to 12:05
- Record of interview with Dr Althea Eureka Gerredith Lord 27/09/2000 14:14 to 14:58
- Record of interview with Dr Althea Eureka Gerredith Lord 27/09/2000 15:19 to 15:54

As discussed I would be grateful for your views on whether you would have any objection to the GMC taking a similar course of action in relation to these statements i.e. by removing personal information relating to the witnesses for example their work history prior to disclosure.

If you could come back to me in relation to this as soon as possible I'd be very grateful.

If you would like to discuss this further please do not hesitate to contact me.

Yours sincerely

Dear DCI Grocott,

Further to our earlier telephone conversation attached is a list of documents which I have earmarked for potential disclosure as they form the basis of a recent request from solicitors acting on behalf of Gillian Mackenzie.

I'd be very grateful for your thoughts on the disclosure of these documents as soon as possible.

Many thanks
