Dear Mr White,

Thank you for your email of 20 September 2012.

I am currently reviewing the material that was released to the GMC by Hampshire police, in particular any statements from health care professionals in relation to the late Gladys Richards. Much of this material was reviewed by our legal team and I am therefore liaising with them concerning this. I do however, note that both you and Ms MacKenzie require sight of any further material I can provide in advance of 31 October 2012; I will do my best to meet your requirements.

Yours sincerely,

Good morning!

We are acting for Mrs MacKenzie in respect of the inquest hearing in this matter. A pre-inquest hearing is due to take place on 31 October and we would be very grateful to receive the material sufficiently in advance of that date for consideration by ourselves and the Coroner.

Mrs MacKenzie is particularly concerned about the the Haslar ward staff statements and also the Gosport statements of Nurses Brewer and Baldochino. If you can provide those to us before the pre-inquest hearing that would be very much appreciated.

Many thanks  
 Best wishes  
 John
