Hi Code A

Please see email from Code A below.

Neither Code A or I have confirmed to anyone that Chris Bulstrode and Jane Barton are related. It was put to me as a fact by Nina Lakhani from the Independent on Sunday several months ago before the hearing even opened. I was not asked to confirm the relationship and made absolutely no attempt to do so. I was asked to outline Chris Bulstrode role as a Council member, including the committees he sat on, which I did following a conversation with Christine Payne.

Many thanks

Stephanie

Stephanie

Please see [Code A] email below and also my email to [Code A] sent last week.

Are you able to assist in determining what, if any, information we hold re. a family connection between Professor Bulstrode and Dr Barton?

Regards

[Code A]

Dear [Code A]

Further to my email about Prof Bulstrode, I enclose the Registration of Births for the relevant years. It shows that his mother [Code A] - Prof Bulstrode and Jane Ann Bulstrode. Under the FOIA, I would like you to clarify whether this is the same Jane Ann Bulstrode as Jane Barton [as this will be available from your register]. Indeed, your press officer confirmed that they were brother and sister.

Secondly, I am not sure if I requested the complete declared interests sheet of Prof Bulstrode and I would also like the years in which he served with the GMC and his position.

Finally, please confirm commencement of the investigations into Jane Barton [the year]. This would be from the date when the first concern was raised with the GMC.

Many thanks
