Hi [Code A]

Following on from my email yesterday I can confirm the following structure

1. GFPD Director - i.e. Director of Fitness to Practise

2. Head of Audit, Information and Review

Head of Committees

Head of Conduct Case Presentation x 2 (as one was on maternity leave)

Head of Performance Assessment and Health

Head of Screening

The above were L2 and above as it stands now, however the grades at the time were different.

We also had a Head of Secretariat who was equivalent to a level 3 and one Solicitor whose grade at the time was higher than that of an L2 but was not a HoS.

Hope that helps

Rebecca

Rebecca

Many thanks for this - if it could be done for May 2002 that would be useful.

Thanks

Hi [Code A]

I'll have a look at this for you. I should be able to pull a report off which shows who the heads of section were at a point in time in 2002. Do you want me to do it as at the end of the year?

Kind Regards

Rebecca

Rebecca

I have a quite urgent query I need some assistance with and I was hoping you may be able to help.

We are dealing with a Freedom of Information Act request for the FPD 'management structure' as it was in 2002. We are only concerned with level 2 (or whatever the equivalent was then) and above.

Would HR have any records dating back to that time which could enable this information to be compiled?

I am sorry to have to spring this on you at the last minute but this is related to the high profile Jane Barton case and is part of a number of FOI requests we are currently dealing with. There is therefore some urgency with this so I need to ask whether you would be able to get back to me within the next couple of (working) days?

Please let me know if you have any queries.

Many thanks
