Thanks for your email.

1. Could the transcripts be downloaded on CDs and sent to me. I honestly cannot cope with any further paper! If you do send more, I will be lost in the paper mountain! Please try and sort these out electronically. The CDs can then be sent to the P.O. Box.
2. I am in need of the mitigation arguments only urgently - these would only be a day or two. Can these be sent by email - for Barton and [redacted]
3. Are you any further on downloading all documents related to me in electronic form?

Thanks Code A
