Dear **Code A**

### Information request

I write further to my previous letter dated 13 June 2011 where I sought your views on the disclosure of a report you provided to our solicitors Field Fisher Waterhouse on the subject of the treatment provided to the late **Code A** by Dr Jane Barton.

I do not appear to have received a response from you on this matter. I should inform you that the Information Commissioner's Office are involved in this matter and we will have to make a decision on disclosure of the report in the very near future. It would be extremely useful to have your current view to inform our decision on this. To that end I would ask for your response by 20 July 2011.

Thank you in anticipation of your assistance on this matter.

Yours sincerely

Julian Graves
