Dear Sirs,

DR JANE ANN BARTON GMC REFERENCE NUMBER – 1587920

Please accept this letter as a formal request under the Freedom of Information Act 2000 for the following information:

- 1-the total (and as detailed a breakdown as your accounting records will permit) of the external costs which the GMC incurred as a result of the above case reference and
- 2- the total (and as detailed a breakdown as your accounting records will allow) of the internal costs which the GMC incurred as a result of the above case reference.

Please note that with respect to point 2 above, I have a letter on my file from your office confirming that, after my last request for such information (concerning a previous failed Fitness to Practise case against Dr Sarah Myhill), such internal cost accounting information would thereafter be kept by your office. In response to that previous request you had only been able to provide details of external costs, stating that internal cost records were not then kept but that they would be thereafter.

I am confident, therefore, that I can expect a full answer to my request.

Yours faithfully,

Code A

CRAIG ROBINSON.
