In response to your request I can confirm that the combined costs of solicitors and counsel in relation to this case was £606,300.

Costs incurred in relation to the Fitness to Practise Hearing were approximately £392,338. This figure includes panellist's fees, transcriptions, staff and running costs on the days of the hearing.

We have been unable to quantify staff costs relating to the investigation stage of this case, as we do not record staff time relating to individual cases in our investigation team.

I hope the above information is useful.

Kind regards
