Subject: Fwd: Code A non-declaration of interest in his Code A case

Can you please arrange a response for me?

Thanks

Subject: Code A non-declaration of interest in his Code A case

Dear Code A

Code A was on GMC Council and failed to declare his interest in his Code A case, Code A n who was before GMC's FTP.

Did he ever receive any admonition from GMC because of that?

There is public interest in knowing that people cannot get away with breach of GMC policy.

Thanking you for your kind attention.

Yours sincerely

Code A
