Mr Midford Millership's past medical history:-

Code A

Mr Millership lived with his wife in their own flat. It was his second marriage as his first wife had died after 25 years of marriage from cancer. He had a son and 2 daughters. Mr Millership had been in the RAF and had served in the Battle of Britain. He was slightly deaf. Mr Millership was admitted via his GP to the Royal Haslar Hospital after his wife was finding it hard to cope. He was transferred to Gosport War Memorial Hospital on 8th July 1999 for general nursing care.

SUBJECT:

DATE: 18/02/2003

On 17th February 2003 (17/02/2003) I went to the home address of Barry MIDFORD-MILLERSHIP on

There he explained the circumstances leading up to the death of his father Douglas Francis MIDFORD-MILLERSHIP born

Prior to his death, his father was living with his partner at He was suffering from

Code A

Code A

On 20th July 1999 his father died unexpectedly.

The family have no specific complaints about the treatment of Douglas but since hearing the publicity they seek reassurance that he died of natural causes.
