Dear Professor Livesley,

I confirm that I plan to visit you, as agreed, on Friday 8th September 2000. I will be accompanied by Det. Sgt. **Code A** and we hope to be with you at 0930hrs. I note that you have an afternoon engagement so we will ensure that we have completed our business by 1230hrs.

The main purpose of our meeting will be to obtain your views in respect of the treatment and death of Gladys Richards in the light of the material which we have supplied to you in the course of this investigation. In doing so I would like to reflect on what material has been supplied and whether there is anything else you require in order to be able to formulate your views. I have enclosed copies of a series of five additional witness statements made by the following persons who were employed, at the appropriate time, as health care support workers at the Gosport War Memorial Hospital: **Code A**

In order for me to maintain my budget it would also be helpful if you could provide me, when we meet, with an indication of the balance of your fee to complete your work and prepare your statement in respect of the case of Mrs Richards.

I also enclose a copy of an article from the August edition of the SAGA magazine drawn to my attention by Mrs Mackenzie.

Yours sincerely,

Ray Burt
Detective Chief Inspector
