DECLARATION

I declare that I am a registered medical practitioner included in the medical register in the name shown on this application above.

I declare that I have never been removed, refused admission to, conditionally removed or suspended from a Health Authority's (including the equivalent in Scotland, Wales and Northern Ireland) medical, dental, pharmaceutical, ophthalmic, supplementary or service list.

I declare I am not a director of a body corporate registered with a Health Authority (including the equivalent in Scotland, Wales and Northern Ireland) or one where there is an outstanding application (including a deferred application).

I declare I am not (nor ever have been) a director of a body corporate which, during my time as a director of that body corporate or immediately afterwards, has been refused admission, conditionally included, removed, contingently removed or suspended from any Health Authority's list (including the equivalent list in Scotland, Wales and Northern Ireland).

I agree not to assist in providing general medical services in the area of a Health Authority/Primary Care Trust from whose supplementary, medical or services list I have been removed, unless that removal was at my own request.

* I have never been convicted of a criminal offence, been bound over or accepted a caution and am not the subject of any police investigations, which might lead to a conviction, an order binding me over or a caution in the UK or any other country.

* I am currently not, neither have I ever been the subject of any fitness to practise proceedings by an appropriate licensing or regulatory body in the UK or other country.

I am not the subject, to my knowledge, of any investigation by the National Health Counter Fraud Service in relation to a fraud case neither have I ever been the subject of a former investigation by that body where the outcome was adverse.

Doctors should note that they must provide a full explanation (including relevant dates) on a separate sheet if they are unable to confirm any of the above declarations.

If you are unable to confirm any of the declarations this does not automatically preclude applicants from inclusion in the medical list.

Doctors who are included in the medical list are exempt from the Rehabilitation of Offenders Act 1974 and they are required to declare prosecutions or convictions, including those considered already "spent" under this Act.

I consent to a request being made by the Health Authority to any employer or former employer, licensing, regulatory or other body in the United Kingdom or elsewhere, for information relating to a current investigation, or an investigation where the outcome was adverse, by them into the doctor or a body corporate referred to in paragraph 36A sub-paragraph (1) or (2) of Schedule 2 to the NHS (GMS) Regulations 1992.
