Dear Dr Barton,

RE: CHILD HEALTH SURVEILLANCE

Thank you for your application to join the above list.
In response to your request to extend the deadline on qualifications, the criteria states that:

'Where the General Practitioner has not attended a Course within the past 3 years, they will need to attend a 5 day theoretical course and 6 sessions (minimum) supervised practice'.

Therefore as your course was carried out over six years ago I am afraid you will have to carry out the above requirements.

If you have any queries please do not hesitate in contacting me.

Yours sincerely,

Alex Clark
District Operational Assistant
