Application for inclusion in the
Committee's Obstetric List

If you wish to apply for the inclusion of your name in the Family Practitioner Committee's Obstetric List you should complete this form and return it to the Administrator, Friarsgate, Winchester. It is important that you give as fully as possible your previous obstetric experience in order to assist the Local Obstetric Committee in its decision.

The Local Obstetric Committee may approve the obstetric experience of a doctor only if he satisfies such conditions as are determined by the Secretary of State. These conditions are given overleaf.

Would you please indicate under which of these conditions your claim is made.

Paragraph (iv)

If you are claiming under paragraphs (i) (ii) or (vi) please obtain documentary evidence from the Consultant under whose direction you worked.

The Secretary of State has determined for this purpose the following conditions, one of which the applicant will be required to satisfy -

- (i) have, within the period of ten years previous to the date of application for approval of his experience, held a six months resident appointment in an obstetric unit in a hospital in the United Kingdom or the Republic of Ireland or held a similar appointment in an obstetric unit in a British Armed Forces hospital outside the United Kingdom. Such an appointment shall include
 - (a) a joint post in an obstetric and gynaecological unit or a joint post in an obstetric and paediatric unit,
 - or
 - (b) rotating internships between obstetric and gynaecological units in one or more hospital.

if, in the opinion of the Local Obstetric Committee, the applicant spent sufficient time in obstetrics; or
- (ii) where he has held a resident appointment as described in condition (i) above but not within ten years of the date of application, have attended within five years previous to the date of application a refresher course in obstetrics of not less than one week provided under Section 63 of the Health Services and Public Health Act 1968, or Section 21 of the Health Services Act (Northern Ireland), 1971, by a University or Medical School in the United Kingdom or a refresher course of a similar standard approved by such a University or School; or spent not less than two weeks working as a resident obstetric officer in an obstetric unit in the United Kingdom under the supervision of a consultant; or
- (iii) have been within the period of two years previous to the date of application on the obstetric list of the same or another Family Practitioner Committee and at the time of leaving it could have qualified for admission to it under (i) or (ii) above; or
- (iv) have been a principal in obstetric practice in the United Kingdom involving attendance in the five years previous to the date of application on not less than 100 maternity cases for which he has been responsible for ante-natal care in all, and supervision of labour and the puerperium in at least 50; or
- (v) be at the time of application on another obstetric list in England or Wales; or
- (vi) have had within the two years previous to the date of application experience in an obstetric unit under a consultant obstetrician in a hospital in the United Kingdom; this experience, some of which may have been gained in a resident clinical attachment in the same or another consultant obstetric unit, should have involved regular work in the obstetric unit or units during six consecutive months within the two year period and should include
 - (a) not less than 20 normal deliveries, and
 - (b) attendance at not less than 10 abnormal confinements, and
 - (c) attendance at not less than 10 ante-natal and two post-natal clinics; or
- (vii) have had experience which the Secretary of State on the recommendation of a Local Obstetric Committee and after consultation with the representatives of the profession approves as acceptable experience in the light of the above conditions.
