Dear Mr. STEWART-FARTHING

Re Police Investigation into deaths at Gosport War Memorial Hospital.

I write to make a request on behalf of family members who have had their cases recently considered by the Crown Prosecution Service.

Some of those family members have requested that they be forwarded the contact addresses of individuals finding themselves in the same position i.e. cases considered but not proceeded with by the CPS.

Should you be content for you personal name and address information to be disclosed to the wider group of those finding themselves in the same position please sign the attached authority and return. I will then cause the details to be circulated accordingly.

By way of a short further update I can inform you the current position in respect of the GMC, NMC and HM CORONER remains under review. When I am informed of progress from those parties I will update you all.

I enclose a FREEPOST envelope for your reply.

Yours Sincerely

David WILLIAMS  
Detective Superintendent.
