- a) Us, we, our - Interlink Express Parcels Limited.
- b) You, your - the person, firm or company that enters into a contract of carriage or other services with us.

All carriage of goods is governed by our full standard terms and conditions of carriage, a copy of which is available on request.

LIABILITY

The full Conditions of Carriage set out the maximum we will pay to you for causing the physical loss of or physical damage to any goods while we are transporting them as defined in the full Conditions of Carriage providing that the goods do not fall into one of the classes excluded in clause 4 of the full Conditions of Carriage.

The maximum payment we will make is established at the time of the quotation when the required level of liability will have marked on the consignment note at one of the levels set out below.

We will not make any payment to you if the goods are lost or damaged due to poor packing or labelling or any event or circumstance beyond our control. A full list of exclusions is set out in clause 9 of the full Conditions of Carriage.

STANDARD LIABILITY

For Standard Liability, on all services except Expresspak 1 and International, we will pay up to £12 per kg of gross weight lost or damaged but we will not pay more than £3,000 per Consignment.

INTERNATIONAL SERVICES

All carriage of goods will be governed by our full conditions of carriage and by the Convention on the Contract for the International Carriage of Goods by Road (CMR) and for goods carried by air up to £100 per Consignment unless the Warsaw Convention operates.

EXTENDED LIABILITY

For an additional charge which is recorded on the consignment note, the most we will pay, on all services, is £15,000 per Consignment. We work this out by referring to the actual value of the Consignment as set out in our published tariff.

If we have agreed in writing to provide "Extended Liability" at a rate by weight, the most we will pay is £15 a kilo or £10,000 a Consignment whichever is less.
