Dear Ms. Horton

I am writing with regard to an investigation relating to the Gosport War Memorial Hospital being undertaken by Hampshire Police. Staff records have indicated that you worked at the hospital in some capacity during the relevant time period. The records we have been given are not entirely up to date and your address has been found via the UK voters register. If you did not work at the hospital I would be most grateful if you could still contact me in order that I may concentrate my enquiries elsewhere.

If however you did work at the hospital in any capacity I would be most grateful if you would contact me in order that I can make an appointment to see you. It is important that the police conduct an open and fair investigation, and if you have no concerns about the patient care at this hospital then this is as important to us as if you did.

Many thanks in anticipation of your help in this matter.

Yours sincerely
