I have been given your details in connection with an investigation that is currently being undertaken by the Hampshire Constabulary with regard to the Gosport War Memorial Hospital. I am informed by staff records that you worked in one capacity or another at the hospital during the relevant period. The Police intention is to see everybody who worked at the Hospital. This is to ensure a fair and proper investigation. It maybe that you had no concerns about medical care at the Hospital, it is as important for the Police to establish this, as it is, if there are areas that have caused you concern.

Due to the large numbers of people that have to be seen I would be most grateful if you could contact me on the direct line above or on my mobile phone [Code A](tel:02380599832) during office hours. This will assist me in contacting as many people as possible over a short time frame.

Yours sincerely
