I am writing to you with regard an investigation relating to the Gosport War Memorial Hospital being undertaken by Hampshire Police. Staff records indicate that a person of your name worked at the hospital during the relevant time period. However these records are historic and now somewhat inaccurate. This has meant I have had to locate staff by use of the national voters records.

If you never worked at the Gosport War Memorial Hospital, I apologise but would be most grateful if you could contact me by post or phone to inform me of this fact. I enclose a business card with a mobile phone number **Code A** I am rarely at Park Gate or Hulse Road Police Stations but a message can be left.

If you did work at the GWMH again I would be most grateful if you contacted me. It is important that the Police conduct an open and fair investigation, and if you have no concerns about patient care then this is as important to us as if you did. Once you have contacted me I can arrange an appointment to come and see you.

Many thanks for your help in this matter.
