Dear [Code A]

I am writing to you with regard an investigation relating to the Gosport War Memorial Hospital being undertaken by Hampshire Police. Staff records indicate that you worked at the hospital during the relevant time period. The records we have are not entirely up to date and your address has been found via UK voters. If you did not work at the hospital I would still be grateful if you could give me a quick ring in order that I may concentrate my search elsewhere

If however you did work at the hospital in any capacity I would be most grateful if you would contact me in order that I can see you. It is important that the Police conduct an open and fair investigation, and if you have no concerns about patient care then this is as important to us as if you did. Once you have contacted me I can arrange an appointment to come and see you.

I am rarely at Park Gate Police Station but can always be contacted on the following number [Code A]

[Code A] will phone you straight back once you have phoned me.

Many thanks for your help in this matter.
