I have been given your details in connection with an investigation that is currently being undertaken by the Hampshire Constabulary with regard to the Gosport War Memorial Hospital. I am informed by staff records that you worked in one capacity or another at the hospital during the relevant period. The Police intention is to see everybody who worked at the Hospital. This is to ensure a fair and proper investigation. It maybe that you had no concerns about medical care at the Hospital, it is as important for the Police to establish this, as it is, if there are areas that have caused you concern.

Yours sincerely
