Dear Ms Dauz,

I have been given your details in connection with an investigation into the Gosport War Memorial Hospital. I understand that you were employed at the Hospital during the relevant period. I would be most grateful if you would contact me as a matter of some urgency, not that this should cause you any concern, I am simply in London on Saturday 12th April 2003.

I can be contacted on the direct line you see above and have enclosed a business card with my mobile phone number. **Code A**

In order to fill the day with as many appointments as possible I would ask that if you are able to see me we could meet at Kennington Police Station. From the A-Z this seems reasonably close to your home the closest tube stop being Lambeth North. I would hope to be at Kennington for about 11:00 hours.

Many thanks for your help in this matter.
