Thanks for asking us to review this 91 year old lady who prior to admission was managing alone in a warden controlled flat. She has family to help out. [Code A]

[Code A]

She had a right DHS on 16th August for a fall.

I am happy to take her to the Gosport War Memorial Hospital. Perhaps you would be kind enough to let us know when her [Code A] result is available as I gather you have an [Code A] on the ward.

Yours sincerely [Code A]

Dr J C Tandy
Consultant Physician in Geriatrics
