Dear Sirs

Gosport War Memorial Hospital Inquest:

I refer to your letter dated 26 August to Mr A M Bradley but addressed to my office.

It is not clear from your letter in what capacity it has been written. If you are acting on behalf of a properly interested person in the Inquests recently conducted by Mr Bradley, I can confirm that the document you are requesting was not an Inquest document and, therefore, you are not entitled to have sight of it from either Mr Bradley or me. If you are acting for any other person in relation to those Inquests, or in relation to any other matter, you are similarly not entitled to have sight of it.

Yours faithfully

David C Horsley
