Dear **Code A**

Re: Dr Jane Barton
GMC Reference Number: Code A

I am writing to inform you that Dr Barton has not appealed against the decision of the Fitness to Practise Panel; therefore her registration will be subject to conditions for a period of 3 years, with effect from 4 March 2010.

During the period that the conditions remain in place, Dr Barton will continue to be entitled to hold a licence to practise, however, she will need to comply with the conditions on her registration.

This concludes the GMC investigation and the case will now be passed to my colleagues in the Case Review Team who will be responsible for monitoring Dr Barton's compliance during the period of conditions.

If you wish to continue receiving updates about any future hearings in this case please let me know in writing within 14 days of the receipt of this letter.

Yours sincerely
