26th September 2003

Mrs D.E Graham

Code A

Dear Mrs Graham,

Thank you for your letter dated 20th September 2003, the contents of which I have noted. As you point out in your letter, the purpose of the meeting was to provide an update as to the current state of our investigation to the extent we were able to. However, the primary purpose of any contact with yourself and the other family group members is, to hear what people have to say and wherever possible, take that into account as we plan our investigation.

I am able to tell you that as a consequence of the feedback we received at and after the meeting, we will be taking a further look at both the timing and the manner in which we update individual family group members.

I Code A has taken over as the Family Liaison Officer from Code A. I have asked Code A to visit all our family group members to introduce herself in person and to address any issues that currently prevail. Code A will bring to my attention any suggestions you have regarding this or, any other matter.

If I can assist you any further please do not hesitate to contact me.

Yours sincerely

Nigel Niven
Detective Inspector
Major Crime Department
