Dear Ms Alexander,

Thank you for your letter of 4th May 2004, receipt of which I confirmed to you by e-mail on 24th May 2004, concerning an issue raised by Dorcas Graham.

Mrs Graham was visited by Owen Kenny on 8th April 2004, when he discussed her concerns in some detail. He assured Mrs Graham that her husband's medical records were analysed by the clinical team, individually and holistically, and were quality assured by a medical/legal advisor who took account of the concerns previously raised by Mrs Graham with **Code A**

With regards to Mrs Graham's request to be visited by a medically qualified person, we regret that we will not be providing this facility to family group members as written feedback is/has been provided. Personal briefings are likely to be considerably time consuming and will detract from the focus of our investigation.

Yours sincerely,

**David WILLIAMS**
