With reference to action A 574.

As part of this action I was asked to seize the cremation certificates for all subjects within the enquiry.

I have done this with the following exceptions-

RICHARDS Gadys^{N1} this certificate has already been seized and is in our possession.

McCHERLY Phylis^{N347} she was cremated in 1985 and due to the passage of time this certificate has been destroyed.

CUNNINGHAM Arthur^{N4}, **GRAHAM Leonard**^{N242} both these persons were cremated at the direction of the coroner so cremation certificates do not exist.
