Dear D Code A

I have started to go through the files which I collected from you on 18 January 2007.

In the files which I have looked at so far, one or two documents are missing.

In the file containing transcripts of your interviews with Dr R, the Consultant who worked with Dr B, the first transcript in the bundle which records an interview starting at 10:02 and ending at 10:42 is described as a "continuation". Please could you send me copies of any transcripts of interviews which took place before this interview.

In the same bundle, tabs 3 and 4 have been duplicated i.e. I have two copies of the interviews which took place with Dr R between 11:40 and 12:20. Please could you let me have a copy of the transcript of interview which took place between about 12:20 and 13:20.

Also, in volume 1 relating to patient ES, page 5 of the summary at the front of the file is missing. Please could you send me a copy of this as well.

Regards

Robert Ryder  
 Associate
