Dear Peter,

I am writing to thank you for your hard work and assistance with regard Operation Rochester over the past 18 months. I understand that the recent meeting in Northampton was again very productive and the clinical team has continued to help shape the form of the overall enquiry.

I would also like to thank you for providing **Code A** with the "unused" material that you have generated over the course of your involvement with Operation Rochester. I understand that Nigel has asked you all to check that there is not any outstanding unused material. It is now an essential part of the Police process to gather all the unused material to show a fair, ethical and transparent investigation. In fact legislation now places a hefty onus on us to get this right. I would therefore be grateful if you could indicate by way of a short note to Anthony that you have no more material in your possession. If however you do have some material in your possession please could you forward this to Anthony.

One further administration issue, would you please submit any invoice directly to Owen on this occasion. If perhaps this could be done as soon as possible, not only to ensure your prompt payment but also to allow us to accurately cost the screening and review process.

I can only conclude as I began, in thanking you for all your efforts to date. I am sorry that I did not make the meeting over the last weekend but I have no doubt that we will be in contact in the forthcoming months and I very much look forward to seeing you again.
