Matthew,

I've prepared a bundle of Officer Reports/Statements in respect of the Category 2 cases and a list of those cases indicating the report reference numbers. There is no urgency in respect of the Baker cases as we haven't yet contacted the families in respect of them.

I have tasked Kate to contact you and arrange for her to deliver the above reports to you tomorrow, either at your work or home. Please can you provide reports in respect of these cases initially and I'll continue chasing for the Baker cases.

Regards,

Owen.

thanks Owen

Until I have the expert's notes in the Baker cases I will not be able to finalise my reports on the 2's. I look forward to getting them soon.

Regards

Matthew

Matthew,

Below are the categories in respect of the Baker cases. Since the meeting on 29/2 in Huntingdon the clinical team have been working on the 'missing pages' from almost all of the 87 cases to date as a priority so they haven't had time to prepare and let me have their notes on the Baker cases. I'll chase them up and let you have them asap. I'll also ensure that you have copies of the Officer Reports in respect of the 2s and 3As very soon.

Kind regards,

Owen.
