Dear Detective Inspector Niven,

RE OPERATION ROCHESTER - YOUR BULLETIN NO. 2.  
-----

Thank you for your letter of 8th July, 2003 and enclosure, which I have now completed and return herewith.

I am very interested in your progress, but as I am aged 83 years and live a fair distance from Hampshire area, I am unable to attend any of your meetings I am afraid. I hope you understand, and do not conclude that I have lost interest; far from the case.

I look forward to further news in due course, and, without doubt, your final conclusions at the end of your investigations.

Yours sincerely,

**Code A**

The Netley training base has adequate parking within a very short walk of the building. Access to the building is accessible to both able and disabled people. Due to the nature of the building security is an issue and those individuals who attend the meeting may be asked to provide identification. If you have any concerns please do not hesitate to contact me.
