Dear **Code A**

Gosport Inquests

Many thanks for your assistance on Tuesday and for showing me the relevant documentation. I have given your details to Elaine Williams at Hampshire PCT and she may well be in contact with you shortly to arrange return of the originals, that is if she has not already done so.

I have taken a few minutes to review the list of exhibits which you provided to me. I wonder if I could ask you to forward copies (by secure transfer) of the following from your list:

- save* →
- X56 Medical certificate of cause of death re: Gladys Richards - No.
 - X161 List of syringe driver and pain control courses attended. - Box 18
 - X444 Copy of fax headed protocol for prescription and administration. - Box 15.
 - ✓X727 Operational policy - Dryad Ward. - 1a.
 - ✓X728 Copy of instructions for the use of ambulatory syringe drivers. - 1a.
 - X729 Copy of 'prescribing for the elderly'. - 1a
 - ✓X747 Medical certificate of cause of death. - NONE
 - ✓X766 Medical certificate of cause of death, **Code C**
 - X770 Medical certificate of cause of death, Helena Service. - None
 - ✓X779 Medical certificate of cause of death, Gregory. - 016/48/37. - Box 19
 - ✓X785 Protocol for prescription and administration of diamorphine. - 1a.
 - ✓X788 Medical certificate of cause of death, Elsie Lavender. - 1a.

Do you have medical certificates of cause of death for any other of the ten patients?

These documents have not been made available to me by Hampshire PCT and it may well be that they are no longer in their custody as I assume that you are now holding the originals. If you could send copies through to me and confirm that you are holding the originals I would be extremely grateful.

If you have any questions, you must not hesitate to contact me. Once again, thank you for preparing such a helpful bundle of documentation.

Yours sincerely
