Subject: Operation Rochester

Sir,
 I received a call from Lesley O'Brian (formerly LACK/Richards) during the evening of Friday 16th May. She had seen her sister (Mrs.McKenzie) on the television the night before speaking about how the coroner had called for an inquest into the deaths of certain patients from the GWMH. Mrs O'Brian wanted to tell me that she did not know anything about the programme (I told her that I didn't either) and she wanted to know who had refered the cases to the coroner and had the inquests been arranged at the request of the deceased families. I told her that I would get back to her on Tuesday as I was in ct on the Monday. I explained that I had not worked on Rochester for over two years and that I 'd heard nothing. Is there going to be a flurry of media activity in relation to this and have we (hants pol) got anything to say and do I have to brace myself for 'contact'
 Please can I have a brief for Mrs O'Brian, who was as charming and pleasant as ever,
 regards,
