Hi Adele

The Portsmouth coroner opened the inquests last week which generated some media interest and the below message from a Hazel Littleproud she has some generic information about GWM Hospital. I don't know whether she could be any use to your investigation but I stated that I would pass her details onto you and she would be happy to talk to you if required.

Thanks

Please note if you are leaving a message for a member of the public to call you back and you wish to speak with them direct, please give them your six digit extension number. Switchboard will then try to put them through, otherwise they will be put through to the FEC and a message will be taken and emailed to your station as per FEC policy.
