Adele

The information you require is

Shirley Selwood last address as of 2005 was **Code A**

Code A

Jeffrey Watling **Code A**

Code A and **Code A** do still work for Hampshire Constabulary and would be able to formally produce the interviews. They would not be able to answer questions about the investigation although I would be able to do this.

Lastly reports were made by Professor Ford and Dr Mundy with regard to Page and Wilkie, also we would have copies of their death certificates/cremation certificates that would have been formally produced but that would be all.
 If you require any of these please let me know

Thanks

Hope you are well.

We have had some further advice from Counsel and it appears that we will need to contact a few more people to produce their police statements. The people that I am going to need contact details for are as follows:

- Shirley Selwood (A friend of Arthur Cunningham)
- Jeffrey Watling (Pharmacy Manager)

I also wanted to find out if the two police officers that carried out the interviews **Code A** and **Code A** - still work for Hampshire Constabulary as they may be required to attend the hearing to formally produce the police evidence and might be questioned about the investigation. Alternatively, if you would be willing to do this then that would be extremely helpful.

Further, I believe that we have received documents relating to Alice Wilkie and Eva Page, however we did not receive any witness statements relating to either of these two patients. Could you confirm to me for sure that there were no interviews concerning these witnesses from any relative/doctor/nurse or other professional?

Thank you for your continued assistance.

Best wishes
