Could you review these two OR's from Code A. My view would be that they do not form any part of Rochester and we should do no more than provide them with details of who to complain to within Portsmouth Health Authority.
Thanks

Roy

Roy,

Please see the following two OR's. Hard copy and action to be returned later. I personally do not think this is one for us but I do think its important we don't simply drop it.

Other than that hope you are well

Cheers Code A
