**Subject:** Re: Police Statement

David

No need to apologise, have been out of contact myself for a couple of weeks doing [Code C] Have to admit to being a little intrigued as to what help I can be regarding a patient that I would have seen as a pre-registration house officer 6 or so years ago, but I hope that I can be of some use. I don't have a handy copy of my CV to attach at present, but having written a few dozen police statements in my time I suspect that the info that you require is as follows;

Dr Ian Gurney  
GMC No [Code A]  
University of Nottingham 1998  
Bachelor of Medical Science, Bachelor Medicine, Bachelor Science, Member of Faculty of Accident & Emergency Medicine ( BMedSci, BMBS, MFAEM) Position at time - Pre-registration House Officer, Surgery & Orthopaedics

May also be of use to know that at that stage I was a serving military officer, then a Lt, now a newly retired Major.

I will be back in the UK on the evening of the 28th Dec, and will initially be in Fleet, but do need to head north to visit my family in Birmingham soon after getting back. We leave the UK again on the 5th Jan. I trust that we will be able to meet during that window.

Let me know if you need anything else, and If and when you want me to be available to sign statement

Yours

Ian Gurney

>Hello Dr Gurney  
> I suppose this was the last thing you expected at this time, but please bear with me. I'm sorry that I've not been in touch sooner myself, but I have just returned from sick leave.  
>  
>The suggestion your father in law has made is basically sound, but I would like a copy of your CV, in order to start the statement the way all others have begun. Is that possible?  
>  
>I believe I can draft a statement for you to sign, when are you home?  
>I hope to hear from you soon.  
>  
>Best Wishes

**Subject:** Re: Statement

As requested

Full name Ian Gurney. Height 1m79cm. E[redacted]. Current occupation, Specialist Registrar, Emergency Medicine, Prince of Wales Hospital, [redacted]  
In March 1999 I was 'pre-registration house officer' to Surg Capt Farquharson-Roberts, Surg Commander Scott and another orthopaedic surgeon whose name escapes me at present. I had started work at Haslar at the beginning of Feb 1999 after 6 months as a medical house officer at Frimley Park Hospital Camberley. To the best of my memory, I took part in a ward round each day, some days with just Senior House Officer and Registrar but most days with the entire team, ie Consultant included.

If my full employment history from then until now is of relevance then let me know and I can try and get it e-mailed to me from home.

I can make myself available for you to visit on the 3rd or 4th of Jan, but need some advance notice as we will be, as I am sure you can expect, very busy during our fleeting home visit.

Yours

Ian Gurney
