Dear **Code A**

**RE: Operation Rochester**

I am sorry that I was not around this morning to take your call. If I am not at my desk when you call again please speak to one of the secretaries and they will find me.

I have a further query - on reading the papers in connection with patient ED I note that the case was considered by an Independent Review Panel set up by the PCT. There is also reference in the notes to oral evidence being given as part of the review. Please could you let me know whether the police obtained a transcript of the evidence?

Regards,

Robert Ryder  
Associate
