I am the medical records supervisor at the records office at the **Royal Hospital Haslar** cat / L14 . I have held this position since July 2000.

Our office is run on the same policies as the **Gosport War Memorial Hospital** C69 except that we are part of the Ministry of Defence.

On January 9th 2003 (09/01/2003) as a result of a request I provided the complete medical records of **Ivy WILLIAMSON** N294 and **Albert HOOPER** N335 .
