I am the Medical Records Manager for the Commanding Officer and I work at the **Royal Hospital Haslar** cat / L14 .

I have been asked, by **Detective Chief Inspector BURT** ^{N24} , to provide a copy of a medical record relating to a former patient named **Gladys Mabel RICHARDS** ^{N1} who received treatment at this hospital during July and August 1998.

I produce a true copy of the medical record in question and it has, attached to it, a Hampshire Constabulary exhibit label marked **AF/1/C** ^{x2} which is signed by me.

Each of the 99 page sides, forming part of the copy file and containing information, is marked with an individual reference which is derived from the master reference **AF/1/C/1-99**.

I have retained the original copy of the medical records and attached to it is a Hampshire

Constabulary exhibit label marked **AF/1** ^{x1} which is signed by me.

I will make the original file available for inspection in connection with the police investigation process.

I also produce a 2 page schedule which details the 11 x-ray images which were taken of Mrs RICHARDS whilst she was admitted to the Royal Hospital Haslar. The schedule has attached to it a Hampshire Constabulary exhibit label marked **AF/2** ^{x3} which is signed by me. The x-ray images, retained by me, are similarly labelled and marked **AF/2/1-11** ^{exh}.
